## 2nd. Annual Believe in Me! Golf Classic

Catholic Coalition for Special Education

In 2004, a group of determined Catholic parents, clergy and educators gathered to find a way to assist their parish elementary schools to develop inclusion programs for their children with developmental and/or intellectual disabilities. Their children with disabilities attended “special” schools, so these visionary organizers sought to put an end to the especially painful experiences of families whose children could not go to school each morning with their siblings and peers.

The result was the formation of the Catholic Coalition for Special Education (CCSE), the only nonprofit organization dedicated to supporting Catholic schools in creating and expanding services and inclusive programs for children with disabilities. CCSE’s mission is to ensure that children with special needs are able to attend and receive an appropriate high-quality education in local Catholic elementary and high schools. CCSE’s mission is fully endorsed by the Archdioceses of Washington and Baltimore.

In the past 14 years, CCSE has reached over 6,000 students, teachers and families; awarded nearly 60 grants totaling nearly one million dollars; awarded grants to 29 Catholic schools in eight Maryland counties; and awarded CCSE Tuition Assistance for Advanced Study in Special Education grants to two special education teachers.

CCSE has no full-time staff and performs much of its work on a volunteer or pro-bono basis. We count on the generosity of individual donors, foundation grants and fundraising events to fund our programs. I invite you to join us in our mission as a Sponsor of our 2nd Annual Believe in Me! Classic Golf Tournament to help us expand our capacity to meet the increasing demand from schools and families.

*The inaugural CCSE Believe in Me! Golf Classic on October 16, 2017 at Worthington Manor was our latest effort to expand our capacity to meet the increasing demand from schools and families. The course proved challenging and fun for our golfers, with unanimous approval from all who played. We happily return this year for our second annual event and hope that, with the help of our sponsors, we will exceed last year’s results to help CCSE respond to the record number of requests for assistance received this year from our Catholic schools.*
