## 5th Annual Believe in Me! Golf Classic

Catholic Coalition for Special Education

In 2004, a group of determined Catholic parents, clergy and educators gathered to find a way to assist their parish elementary schools to develop inclusion programs for their children with developmental and/or intellectual disabilities. Their children with disabilities attended “special” schools, so these visionary organizers sought to put an end to the especially painful experiences of families whose children could not go to school each morning with their siblings and peers.

The result was the formation of the Catholic Coalition for Special Education (CCSE), the only nonprofit organization dedicated to supporting Catholic schools in creating and expanding services and inclusive programs for children with disabilities. CCSE’s mission is to advocate for and facilitate an appropriate, inclusive, high quality education for students with developmental and/or intellectual disabilities in the Washington D.C. and Baltimore region Catholic schools to enrich their lives, schools, and the broader community. CCSE’s mission is fully endorsed by the Roman Catholic Archdiocese of Washington and the Archdiocese of Baltimore.

Over the past 17 years, CCSE has touched the lives of more than 9,000 students, teachers and families; awarded 78 grants totaling nearly \$1.2 million dollars; awarded grants to 32 Catholic schools in 10 Maryland counties; and awarded CCSE Tuition Assistance for Advanced Study in Special Education grants to three special education teachers. Your support is critical to our success.

CCSE has three staff members and performs all of its work on a volunteer or pro-bono basis. We count on the generosity of individual donors, foundation grants and fundraising events to fund our programs. We invite you

to join us in our mission as a Sponsor of our 5th Annual Believe in Me! Golf Classic Tournament and hope with the help of our sponsors, we will expand our previous years’ results to help CCSE respond to the increased number of requests for assistance received this year from our Catholic schools. Your help will allow us to expand our capacity to meet this increasing demand from schools and families.

*Despite the challenges presented by the pandemic over the last three years, CCSE worked diligently to ensure children with disabilities and their families continued to have the support they need to succeed. Teachers, parents and the community rallied together to make sure children with disabilities could learn and thrive in a loving, nurturing environment. YOU made the difference in providing the resources needed to keep children with disabilities involved and engaged in learning.*
