# VIRTUAL SPRING BENEFIT SATURDAY, MARCH 13, 2021 CELEBRATING 16 YEARS OF INCLUSION

Please join us on March 13, 2021 at 6:30 p.m. to celebrate the Virtual 16th Anniversary of Catholic Coalition for Special Education's (CCSE) Spring Benefit.

Your involvement makes it possible for the only nonprofit dedicated to supporting Catholic schools in creating and expanding services and inclusive programs for children with disabilities.

This is a very different year for all of us...and perhaps more than ever, the need is present for children with disabilities to learn and grow in a loving, nurturing environment. This year is all the more challenging as our children scramble to find a foothold in the virtual world, or in hybrid settings so very different from years past.

To that end, the Catholic Coalition for Special Education (CCSE) invites you to support our virtual Spring Benefit. Despite the change from in-person Benefits we've had in past years, we have the same needs, support the same programs, and fund the same faculty education as always, and **our mission remains -- to facilitate an appropriate and inclusive education for students with intellectual and/or developmental disabilities in the DC and Baltimore regions.** Our efforts enrich the children's lives, and enrich the communities they join as well, creating acceptance and inclusion as a standard all must meet.

Since our founding, CCSE has:

- Served over 9,000 students, teachers and families.
- Provided 75 grants to schools worth over \$1.1 million.
- Awarded grants to 31 Catholic schools in 9 Maryland counties.
- Supplied \$15,000 in Teacher Tuition Assistance for Advanced Study in Special Education.
- Educated over 1,000 teachers and principals through our workshop series.
- We are now producing a video mini-series to complement our first publication *Including Students with Developmental Disabilities in Catholic Schools – Guiding Principles for Administrators and Teachers.*

All our services are free of charge but not free of cost. And that is why we need your help. We fund our programs through foundation grants and the generous support of people like you.

The Spring Benefit has always been CCSE's largest annual fundraiser. CCSE is there for the schools because you are there for CCSE. We hope, with your help, that we will exceed past performance in this virtual format. It is a challenge we plan to meet with creative and appealing remote dining events that may draw our largest crowd to date. Please join us today! You will make a difference!
